Notes to visiting skippers:

Candlewood Yacht Club is located in a private community. Please be considerate of our neighbors by following the speed limits. There are speed bumps on the private roads, so go slowly over them! At the club, we have a single boat ramp for launching and a fixed yard arm with chain hoist for those needing to remove bottom covers. We have set hours on Friday evening and Saturday morning for boat preparation and will have CYC members available to help as needed. Please contact us with any additional questions.

Measurement: Boats and sails must conform to the Official Plan. Each boat must carry equipment required by FSSA Specification Article S-V.2 (Racing Restrictions), and US Coast Guard requirements.

Courses to be Sailed: The courses to be sailed will be described in the Sailing Instructions.

Radio Communication: The race committee may use VHF radios (Channel 68) to communicate with competitors while racing. See Class Rules, Article S-V - Racing Restrictions, Paragraph 7 for more information regarding electronic equipment.

Berthing: Both Dock Slips and Dry Sail berths are available for guest boats.

Scoring: The low-point scoring system of RRS Appendix A2 will be used, except that there will be no throw-outs. For the CT Cup, the first and last race of the regatta will be used for scoring. The boats eligible are from the three CT Flying Scot Fleets, 24, 142 and 177. The Fleet 24 Championship is only for boats in Fleet 24.

Prizes: Prizes will be awarded to the top 3 boats in the Regatta.

Contact information: Doug Main, dmain9348@gmail.com, Mark Riefenhauser, fs5516@yahoo.com and Dave Irving, dgirving@yahoo.com

Lodging information: We will attempt to pair anyone needing overnight lodging as guests with CYC members – please give us advance notice, with your needs. Parking available for road campers, but no tent camping is permitted on CYC grounds.
